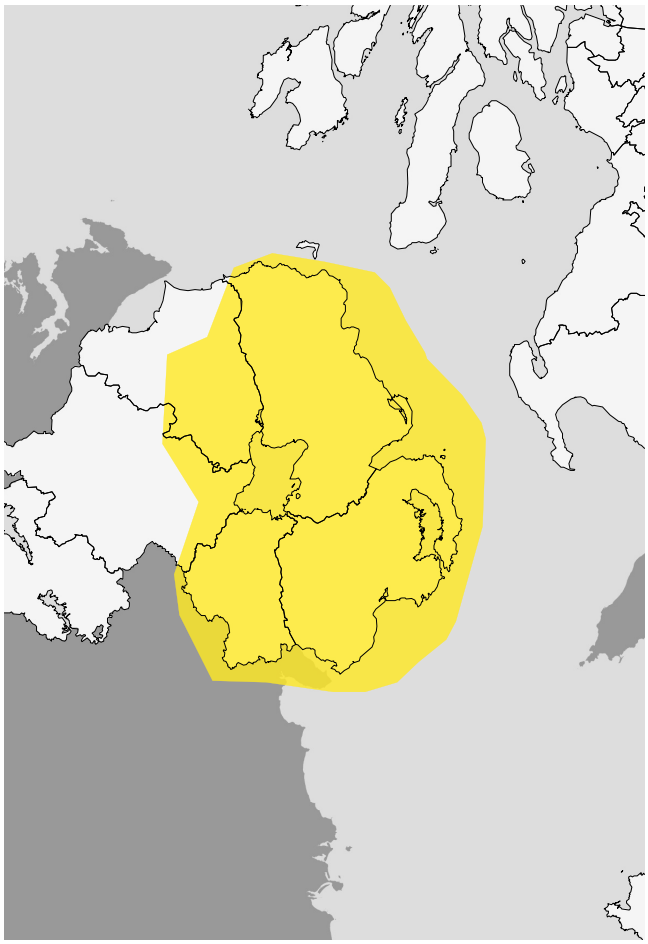
Yellow warning
Rain

Between
04:00 Mon 2 Apr 2018 and
09:00 Tue 3 Apr 2018



Widespread rain and some hill snow is expected. Rain is likely to be heavy at times.

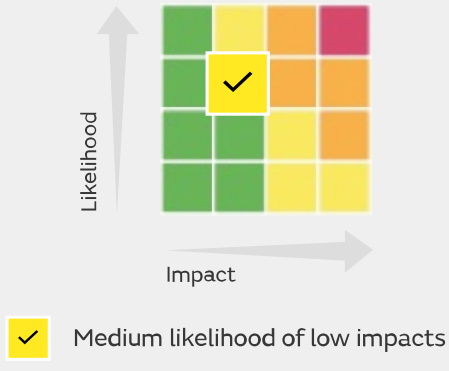
What to expect

- Spray and flooding on roads probably making journey times longer
- Bus and train services probably affected with journey times taking longer
- There is a chance that a few homes and business could be flooded

Further details

An area of heavy rain is expected to move north into Northern Ireland early on Monday, persisting for much of the day and lasting into the early part of Tuesday. 10-15 mm of rain is likely widely, with locally 25-40 mm possible in the east.

In addition, several cms of snow could accumulate over the highest routes. It is possible that some wet snow may fall to lower levels for a time on Monday morning, although it is unlikely to accumulate.



Medium likelihood of low impacts
